The screenshot displays a web-based patient information form. At the top, there is a navigation bar with links for 'File Management', 'Reports', 'Systems Management', and 'My Account'. Below this, the patient's name 'Hija Salvador' is shown. The form is divided into several sections: 'Personal Information', 'Health History', 'Checkup History', and 'Attachments'. The 'Personal Information' section contains fields for Patient ID (2011-000000002), First Name (Hija), Last Name (Salvador), Middle Name, Birthdate (1/1/1990), Gender (Female), Mental Status (Single), Address (Hahogano Street Quezon City), Phone Number (631-2020), Mobile Number (0917-8780040), Occupation (Actress), and a Notes field. A photo of the patient is displayed on the right side of the form. At the bottom, there are 'Save' and 'Close' buttons.

# Queued Patients

- Patient queuing
  - Date/Time Queued
  - Patient Name
  - Appointment Type
  - Problem

# Medicine Management

The screenshot shows a web application interface for medicine management. At the top, there is a navigation bar with links for 'File Management', 'Reports', 'Systems Management', and 'My Account'. Below this, the main content area is titled 'Medicine Inventory'. It features a form with the following fields: 'Clinic' (set to 'CLINIC 1 PASAY'), 'Medicine' (set to 'ALL'), 'Quantity' (set to '0 IN'), and 'Notes'. A 'Submit' button is located below the form. To the right of the form, there is a 'Featured Ads' section. Below the form, there is an 'Export List' button and a table with the following data:

Medicine		
SAMPLE ONE (GENERIC NAME : -)		51
SAMPLE TWO (GENERIC NAME : PARACETAMOL)		95

- Manage Medicine Inventory and Sales
  - Can be able to manage multiple clinics inventory
- Tracking of In and Out of Medicine
- View available stock-on-hand per clinics

# Clinic Supply Management

# POS

- Medicine POS
- Real-Time stock on hand

# Reports

The screenshot displays the 'POS - Medicine' interface in the MyKlinika system. At the top, there is a navigation menu with 'File Management', 'Reports', 'Systems Management', and 'My Account'. The main form includes dropdown menus for 'Clinic' (CLINIC 1 PASAY), 'Patients' (2011-0000000001 - Concepcion, KC), and 'Medicine' (SAMPLE ONE (GENERIC NAME : -)). The 'Quantity' is set to 2, 'Discount' to 0%, and 'PHP' is indicated. A table below shows the item details:

Medicine	Notes	Quantity	Amount	Discounts	Total
SAMPLE ONE - -		2	150.00	0.00	300.00

Buttons for 'Add Medicine' and 'Confirm Payment' are visible at the bottom of the form.

- Patient History
- Real-Time stock on hand
